Immensely beautiful 14.13 acre property filled with mature trees, lake views, and endless possibilities! This property features an 1,152 sq ft mobile home that the owner has begun renovations on and just needs the finishing touches! Outside you will find an inground swimming pool with a newer pump, outbuilding providing shade while watching your family play in the pool, a large metal workshop, a large circular drive, and views of the lake from the back of your property! With a little TLC this home could be the perfect homestead!
